Product Features: - Realistic high-resolution background images - All photos in 12 different sizes - All photos have transparent background - No logos, minimal menu - No watermark - All photos are high quality and suitable for print - You can also use for your web site, blog, forum, gaming etc. - All photos are licensed under Creative Commons by Attribution 3.0 Photo and map source: - National Geographic: - Stock.xchng: FAQ: What are you selling? This is an Australia Theme for wallpaper, photo mosaic and other kinds of desktop backgrounds. I bought it and got the license confirmation. Where is the download link? If you are having trouble downloading the product, please send us a message. As soon as we receive your message, we will remove the links and tell you the direct download links. I am having a difficult time with the download and confirmation link does not work. After you complete payment, you will get the license confirmation. Once you confirm the license, you should get the download links. If you don't, please send us a message. I'd like to use a few of the images in my published work as well as the "bonus" images you provide. Is that possible? You can definitely use the bonus images for your own work. You can either re-brand the images
