Table 2 contains the names of the ID's as shown below. Table1 has the values "A,B,C,D,E,F" Table2 has the values " A,B,C,D,E,F,G" How do I get the common ID's in the above scenario? in the below format: A,B,C,D,E,F,G A: Try using SELECT t1.id, t2.id FROM Table1 t1 JOIN Table2 t2 ON t1.id = t2.id; Sperm motility is supported by two ionic microcompartments in the sperm tail: low-pH compartment associated with active human sperm plasma membrane and high-pH compartment associated with inactive human sperm plasma membrane. Sperm motility was studied in relation to the presence and distribution of a low-pH and a high-pH compartment in the sperm tail. Sperm with a high motile rate were found to have a higher percentage of sperm with low-pH compartment of the tail in comparison to those with a lower rate of motility. Motile human

Today I got a strange problem, I downloaded my copy DVD of an old game called Full Throttle Reloaded from Steam, but now when I look in the disc drive, there is no DVD there and when I look in the Desktop in Win8, the folder full throttle reloded is empty. What happened? I need this game and I don't know where the disc got corrupted and I need to recover it. Thanks in advance. I think I want to play NASCAR Racing 2 as well, which I have, but if I delete it and don't restore it first, it will be restored after I get NASCAR Racing 2, so how can I get everything back? Well, it's simple: just get a program that can read/write the CD, burn your backup image back onto the CD. That's if your CD was saved as an image, which is what most cds are called these days. Click to expand... Hey guys, I have a question. I'm new to the torrents/filesharing scene and I would like to say that I learned quite a bit in a short period of time. I am curious if it is okay to send "warez" or any other illegal content from "p2p/bittorrent" sites to other sites. Is it ok to give my games to friends who lack of any games and want to have some? Is it ok to share old software and other freeware with others on file sharing sites? Please do not give me a hard time, I just want to know is it ok to share free games and software with other members on file sharing sites? I think I want to play NASCAR Racing 2 as well, which I have, but if I delete it and don't restore it first, it will be restored after I get NASCAR Racing 2, so how can I
