In the Crazy Machines series of games, players must use their brain power to build and play wacky contraptions. Hundreds of wild and crazy contraptions are included, including robots, gliders, gyroscopes, ball cannons, and more. Looking for instant fun and instant gratification? Check out the Crazy Machines games from Macro Game Publishing. www.macrogamepublishing.com Questions or comments? E-mail us at macro@macrogamepublishing.com. Or write Crazy Machines 1.5, Mac OS 8.0 or Windows 95/98. we asked you to show up at the corner bar in Moshi and you walked in like normal people. what did you think you'd find?" "I thought I'd find myself in a bar where I'd like the owner and everyone else to be alive." "I'm glad you found me because I can use a drink." "I want you to take a look at your menu here." "Try the Swiss burger or the fries." "I'm not one of those people who orders the same thing every single time." "Try them both and see what you think." "Thank you." "Cheers." "Do you have a job?" "No." "When I was your age, I had my own business and I fell in love." "It was like I didn't know how to be myself and I didn't want to be with her." "So I drove to the Golden Gate Bridge and jumped." "There was still a lot of wind underneath me so I flapped around and I landed on the East side." "I made it all the way across the bridge, at the end of the fall, where the center was, and I jumped in the water." "I thought I was gonna be okay." "I went back to my business and I met someone else and I had my daughter." "But then..." "I'm still looking for that one moment, like I found at the Golden Gate Bridge." "Sounds like you found it." "You're good?" "Yeah." "I'm good." "I didn't think I was gonna have a lot of money." "I thought I'd have to work at some
