We are addressing a problem for users of the OzoneSDR software to get the correct output from wideband radio. This comes down to the difference between the RIN that the RSP and SDR app are outputting. Due to RSP/SDR app not knowing the RIN used by RSP firmware, these apps will use the default RIN that is used by the host app (RSP) for RSP/SDR app to use when copying files to DVR. We have only seen this work on Windows XP. On Windows 7 RSP/SDR app is pre-installed with RB65 and RSP firmware shipped with RSP app. There are three

Tomorrowland will be a wild ride with some of the world's biggest names performing in the Belgian capital. However, some of the biggest names in dance music (and below) are expected to surprise us with their performances at the festival. One name that has been repeatedly seen at Amsterdam Dance Event and Tomorrowland but rarely performs at other events is FuntCase. However, Riton has teased that he's going to perform at Tomorrowland this year for the first time. The French DJ has been performing at many events this year and was recently announced as a DJ on the Odd Future House live DJ tour. Furthermore, we recently saw his international support for Bonobo. Check out Riton performing at Tomorrowland 2014 here. Tomorrowland 2014's line up also features Alok, known for his solo productions and collaborations with other artists. Here are some of his recent tracks.
